VII. CONFLICTS

A. If, subsequent to the Effective Date of this Consent Judgment, the federal government or any state, or any federal or state agency, enacts or promulgates legislation or regulations with respect to matters governed by this Consent Judgment that creates a conflict with any provision of the Consent Judgment and Defendants intend to comply with the newly enacted legislation or regulation, Defendants shall notify the Attorneys General (or the Attorney General of the affected State) of the same. If the Attorney General agrees, he shall consent to a modification of such provision of the Consent Judgment to the extent necessary to eliminate such conflict. If the Attorney General disagrees and the Parties are not able to resolve the disagreement, Defendants shall seek a modification from an appropriate court of any provision of this Consent Judgment that presents a conflict with any such federal or state law or regulation. Changes in federal or state laws or regulations, with respect to the matters governed by this Consent Judgment, shall not be deemed to create a conflict with a provision of this Consent Judgment unless Defendants cannot reasonably comply with both such law or regulation and the applicable provision of this Consent Judgment.

VIII. DISPUTE RESOLUTION

A. For the purposes of resolving disputes with respect to compliance with this Consent Judgment, should any of the signatory Attorneys General believe that one or both Defendants have violated a provision of this Consent Judgment subsequent to the Effective Date, then such Attorney General shall notify that Defendant or those Defendants in writing of the specific objection, identify with particularity the provisions of this Consent Judgment that the practice appears to violate, and give Defendants 30 days to respond to the notification.

B. Upon receipt of written notice from any of the Attorneys General, each Defendant receiving such notice shall provide a good-faith written response to the Attorney General notification, containing either a statement explaining why that Defendant believes it is in compliance with the Consent Judgment or a detailed explanation of how the alleged violation occurred and statement explaining how and when that Defendant intends to remedy the alleged violation.

C. Except as set forth in Sections VIII.E and F below, the Attorney General may not take any action during the 30 day response period. Nothing shall prevent the Attorney General from agreeing in writing to provide Defendant with additional time beyond the 30 days to respond to the notice.

D. The Attorney General may not take any action during which a modification request is pending before a court pursuant to Section VII.A, except as provided for in Sections VIII.E and F below.

E. Nothing in this Consent Judgment shall be interpreted to limit the State's Civil Investigative Demand ("CID") or investigative subpoena authority.

F. The Attorney General may assert any claim that one or both Defendants have violated this Consent Judgment in a separate civil action to enforce compliance with this Consent Judgment, or may seek any other relief afforded by law, but only after providing Defendant or Defendants an opportunity to respond to the notification as described above; provided, however, that the Attorney General may take any action if the Attorney General believes that, because of the specific practice, a threat to the health or safety of the public requires immediate action.

IX. COMPLIANCE WITH ALL LAWS

A. Except as expressly provided in this Consent Judgment, nothing in this Consent Judgment shall be construed as:

1. Relieving Defendants of their obligation to comply with all applicable state laws, regulations, or rules, or granting permission to engage in any acts or practices prohibited by any law, regulation, or rule; or
2. Limiting or expanding in any way any right any state represented by the Multistate Working Group may otherwise have to enforce applicable state law or obtain information, documents, or testimony from Defendants pursuant to any applicable state law, regulation, or rule, or any right Defendants may otherwise have to oppose any subpoena, civil investigative demand, motion, or other procedure issued, served, filed, or otherwise employed by the State pursuant to any such state law, regulation, or rule.
